

Testimonials

“Finally a sci-fi book that will capture hard-to-get boys as well as girls. A funny, wildly imaginative book.”

–Judi Miller, Award-Winning Author

“*Pond Punkies* is that unusual creation, a science fiction work for middle grade readers...The action and dialogue move quickly and imagination is given full play in the unfolding saga.”

–Midwest Book Review

“We loved book one, and we can’t wait for #2! Some of my students are writing their own Pond Punkie stories...you inspire us! Many Thanks.”

–Stefanie, Second Grade Teacher

“My son (10 years old) sat down and read the book from cover to cover the same night I brought it home and really enjoyed it. He had to fight my daughter (the 7 year old) for first dibs!”

–Eric, Parent

“The book is awesome. I like how they mostly stick together. That is the true sign of friendship and teamwork.”

–Mitch, Fourth Grade

“I loved your book so much and it was so funny. I couldn’t stop telling people about it.”

–Shawn, Third Grade

“We bought a book for our son for his birthday! He loves it!”

–Melissa, Parent

“Pond Punkies are cool. I love the book!”

–Hannah Marie, Second Grade

“This is a great science fiction chapter book for ages 7-11. I am a fourth grade teacher and read this to my students. They absolutely loved it! This book is a must have!”

–Lori, Fourth Grade Teacher

“I am seven moon orbits old. My favorite character is Blaze.”

–Michael, Second Grade

“I like Ace the most. Everyone is cool.”

–Virginia, Fourth Grade

“Your book is so great, I could read it one million times.”

–Thomas, Fourth Grade

“I love the book so much. It is the best book in the world.”

–Tyler, Second Grade

“The book was amazing.”

–Peter, Third Grade
